

For those with restricted mobility we provide:

- Easy access - all libraries have ramped approaches and lifts are in operation at Sherwood and Central Libraries. Some libraries have disabled toilet facilities
- Home Library Service - books, talking books and CDs can be delivered to your home address if you have restricted mobility. Owing to high demand places are limited, please call 0115 915 5700 to find out more (delivered in partnership with WRVS)
- 24 hour library online - Visit www.nottinghamcity.gov.uk/libraries to join the library service, access the library catalogue to reserve and renew items, make enquiries about any subject, access electronic resources such as newspapers and encyclopedias and find out what's happening at your local library

OCT 2009

For more information about library services, please contact 0115 915 2828 or email enquiryline@nottinghamcity.gov.uk

Libraries
at the heart of your community

Nottingham
City Council

Nottingham City Libraries offer a range of support and assistance to ensure everyone can use libraries easily. Staff are happy to help and assist with finding and choosing items and help with your general enquiries. Once you've joined you can use any library in the City or County to borrow, renew and return up to 24 items, from a wide range of books, talking books, music CDs and DVDs, and use computers for free. A tour of your local library can also be arranged by appointment.

For those with a visual impairment we provide:

- Talking books on CD and cassette
- Materials in other formats such as large print books, Clearvision Braille
- Supernova software on PCs
- Specialist equipment such as CCTV/Video magnifier, enlarged computer mouse and keyboard
- Special events such as Vision Hear
- The Listening Chain - join with other visually impaired readers to compare your views about selected books and talking books.

Nottingham City Libraries also work in partnership with the RNIB and NRSB

For those with a hearing impairment we provide:

- DVDs with subtitles
- Minicom
- Audio loops
- A signer at events when requested
