

## Appendix 5: Consultation Responses

| Section   | Cross –reference to Strategy revision |
|---|---------------------------------------|
| <b>General</b>  |                                       |
| Set out the objectives of the strategy more clearly                                       |                                       |
| Make the strategy less ‘responsive’ and more action focussed                              |                                       |
| <b>Strategic Context</b>  |                                       |
| Make more explicit the linkages between Planning and Housing                              | Section 4.1, Table 1;                 |
| Provide greater detail concerning Equality & Diversity issues                             |                                       |
| <b>Market Analysis</b>  |                                       |
| Make more explicit the links between issues and actions to address these                  | Section 6.1                           |
| Provide information concerning the ‘out migration’ of families                            | Section 6.1                           |
| Summarise imbalance of current housing stock  | Section 6.1,6.11                      |
| Provide detail on need for ‘mixed communities’  | Section 6.11                          |
| Expand the BME needs study to include the involvement of the Housing Corporation          | Section 6.9                           |
| Include Details of High Demand  | Section 6.7                           |
| <b>Decent Neighbourhoods</b>  |                                       |
| Provide more detail on student issues   | Section 8.6                           |
| <b>Social Inclusion</b>   |                                       |
| Include brief detail on ‘Corporate parenting’   | Section 9.1, 9.3.5                    |
| Include brief detail on Young People  | Section 9.3.5                         |
| Show similarity of need of people with Aids and People with a Physical/Sensory Impairment | Section 9.3.7                         |
| Provide some information concerning Gypsies & Travellers                                  | Section 9.3.8                         |
| <b>Miscellaneous</b>  |                                       |
| Provide a more detailed definition of the Decent Homes Standard in Appendix 7             | Appendix 7                            |
