Children's Centre Activities

We want all children and parents & carers to be happy, healthy and to support their child/ren to be ready for school. Children Centres provide a variety of sessions and support for families from pregnancy to 5 to support this. All families are welcome. To keep you up to date with all of the sessions and support we offer, we will request that you complete a Children Centre Registration Form. For more information please ask a staff member who will be happy to help. All sessions unless stated otherwise are FREE!

If your child is two years of age he or she may be eligible for a Free childcare place. For further information go to:
