

It was not until I read  
Nottingham City Council  
Response to Matter 4<sup>c</sup>

Did I realize there was  
a plan for the erection of  
CLASS A1 Retail store

IS there not another shops  
in BULWELL

already? are we not at  
Sat Saturate point?

What is the point in building  
new shops in BULWELL?

IF other shops have to close  
There are 3 empty shops  
at the moment

Empty shops in my  
opinion. Give a  
RUNDOWN, appearance.
