## WHAT THEY ARE DOING

In 2021, Sygnature appointed the Head of Environmental and Social Governance & Compliance who is responsible for environmental initiatives.

Programs underway:

- IT hardware recycling scheme introduced
- Review of energy usage
- Trialled non-plastic sharps disposal containers
- Cycle-to-work scheme reinstated

Future areas of focus:

- Engage with the local community to support sustainability schemes
- Work with their supply chain to promote sustainable sourcing
- Monitor their carbon footprint and identify mechanisms for reduction
