Summer term 1 2025

## Welcome

Hello and welcome to the latest edition of our Early Years Hub newsletter!

The Stronger Practice Hub is delighted to continue supporting early years practitioners across Derbyshire, Derby City, Nottinghamshire and Nottingham City with funded training and support through to March 2026.

We're committed to helping you deliver the very best for young children, and this issue is packed with exciting upcoming events and opportunities to get involved.

We look forward to seeing you at our upcoming events!

New

**PARTNER**

We are thrilled to introduce our New Partner!

**Kate Cox, Operations Manager at Little Explorers, an Ofsted-rated Outstanding nursery based in the beautiful grounds of Broomfield Hall, Derby College.**

**Kate Cox**

“With over 30 years of experience in the early years sector, I've worked across PVI settings and further education, supporting both children and practitioners. I'm passionate about raising the quality of early years practice and love supporting professional development within our community.

I have a particular interest in nature-based play and learning, and I'm proud that our nursery offers rich outdoor experiences that spark curiosity and build confidence in young children.

It's a pleasure to be partnering with the Derbyshire and Nottinghamshire Stronger Practice Hub, and I'm excited to connect with others who share a passion for early childhood education.

”

**Kate will become a familiar face, as she facilitates at our upcoming Room Leader Networks, and invites you to visit Little Explorers Nursery, on Saturday 21<sup>st</sup> June!**

# Recent Reflections

Celebrating the success of our recent event

Setting visit with... Katy Burgess- Sat 22<sup>nd</sup> Mar 2025

## Forest School Approach

Childminder, Katy Burgess, runs a setting in West Bridgford, Nottinghamshire, where she has developed a fantastic approach to using natural local spaces.

On Saturday 22nd March, she was joined by over **20 childminders** from the Hub community at Skylarks Nature Reserve to share her expertise on adopting the Forest School approach to transform natural spaces into rich learning environments.

Katy shared how this child-centred approach has promoted **independence, resilience and confidence** with her minded children. The outdoor settings can also be great for “getting back to the basics of learning, as the highly sensory environment is known to improve social interactions, progress problem solving and spatial awareness, as well as develop gross & fine motor skills.”

We would like to thank, not only Katy and her supporter Caroline, but the wonderful childminders who attended and provided invaluable feedback.

What an inspiring morning!

All the activities were so well linked to the EYFS and simple to replicate.

It was great to meet like-minded people and network too.

Fantastic session!

Excellent, simple ideas to take away and try with the children. Great to chat to Katy and hear how passionate she is about outdoor learning. -Great opportunity to network too!

WE LISTENED

The feedback from this event, along with our Childminder Conference back in February, showed the value in providing chances for childminders to come together, share experiences & build relationships.

We are running **Outdoor Learning, Childminder networks** across Nottinghamshire & Derbyshire from June 2025 to March 2026!

## Room Leaders Networks

Take advantage of this opportunity to join a community of like-minded room leaders, with a focus on developing your skills as a leader, as well as on developing the high-quality provision in your room.

The networks involve **three face-to-face days** across the year, where you will come together with colleagues to learn more about leadership and discover thought provoking ideas about what good practice looks like.

You will have chance to learn about new theories and ideas, reflect on your own practice and take away top tips and suggestions to try in your own rooms. There will be chance to celebrate and share what you have been doing with colleagues and with opportunities to develop relationships and learn from each other over time.

# Opportunities

Resources & Training to support CPD

## Free training, guidance and resources for early years settings!

Equation is working with early years settings across Nottinghamshire to make sure that more children and adults living with domestic abuse can get support.

➤ If you work in a nursery, pre-school, independent school, out of school provision, or as a childminder, they can provide you with free training that will enable you and your team to:

- Spot the subtle indicators of children living with domestic abuse
- Learn how to respond in a safe way
- Know how to refer children and adults for support, and understand the process
- Expand your knowledge of safeguarding
- Learn simple techniques which may help reduce the impact of living with domestic abuse in the 0 - 5 years age range

## Make the most of FREE training, guidance & resources!

Equation offer flexibility, allowing you to choose between online or face-to-face sessions- even travelling to you, to deliver training in your workplace.
