Post Title: Senior Finance Business Partner I
Grade: GLPC I

Job Purpose

About us

Nottingham City Council has changed significantly in the last twelve months through a programme of modernisation and re-organisation. The new leadership team is revitalising the focus on outcomes and effectiveness whilst building financial sustainability. Senior Business Partners are critical to the onward progression and embedding of this change.

The Role
The postholder will provide strategic financial oversight over departmental budgets and support the development and delivery of Medium-term Financial Strategy proposals, including revenue and capital monitoring, and financial planning.

They will provide expert financial and accounting advice to Senior Leaders, guiding strategic decision making and long-term financial sustainability of services. The role has oversight over director and Head of Service level budgets.

The roles are designed to have three levels of increasing complexity and strategic responsibilities. This is level I.

Service Leadership Expectations

Leading People

1. Set clear goals for your team and show how they benefit citizens and service users
2. Lead by example by being accessible, approachable and listening well, upholding our behaviour standards and supporting your team to deliver and adapt
3. Plan for the skills and capacity your team will need in the future, and grow a culture of learning, development, and early support
4. Use data, insight and evidence to guide decisions and delegate effectively to empower others to make effective decisions
5. Tackle issues early, give feedback that supports growth, and hold people to account for delivering outcomes.
6. Lead and effectively motivate staff by providing coaching, mentoring, training, professional development opportunities, and appropriate performance management

Change and Innovation

1. Lead and drive change within your teams in a political and challenging public finances context.
2. Explore innovative approaches to deliver services, managing risks and actively being curious of market analysis and benchmarking.
3. Use robust project management principles to organise people and finances, delivering positive outcomes that are on time and within budget.
4. Support strategic leaders to design and deliver a resilient service, responding at pace to re-prioritise objectives in line with the organisation's changing needs.
5. Lead change across your team and drive a culture of continuous improvement by encouraging colleagues to share ideas.

6. Proactively seek and identify commercial opportunities that provide innovative solutions to service delivery challenges
7. Contribute to the creation of a digital culture within the service by embracing technology in every-day activities and actively seeking digital improvement opportunities in support of a service-wide digital strategy

Collaboration

1. Work collaboratively across the Council to achieve the best outcomes for the citizens of Nottingham.
2. Lead a culture of collaboration within your team by working across boundaries to break down silos to deliver benefits to the citizens of Nottingham.
3. Proactively harness, develop and seek-out effective relationships to foster the collaborative culture, creating efficiencies and joined-up services to achieve the best outcomes for Nottingham's people.
4. Takes account of the council's priorities when negotiating and aligning resources to deliver services.
5. Set clear expectations for how your team collaborates – communicate often, agree how to work well in a hybrid world, and stay curious about how other services work.

Equality, Diversity and Inclusion

1. Make equality, diversity and inclusion part of your team's design and delivery - remove barriers, consider unmet needs, and reflect the diversity of Nottingham's communities.
2. Challenge bias and exclusion where you see it - in your team, processes or services.
3. Give everyone a fair chance to contribute and grow, including those with different working styles, strengths or support needs.
4. Lead inclusive recruitment and workforce development – remove bias from decisions and monitor workforce diversity
5. Shape a culture where people feel safe, respected and able to thrive, use feedback from your team as an opportunity to learn and improve ensuring that people feel valued and heard

Specific Duties

Our Vision is to develop an efficient, effective finance service that supports managers across NCC to secure better outcomes for citizens and deliver the Council Plan.

As a Senior Business Partner, the postholder:

- Is expected to be a professional lead within their respective area of finance, provide expertise and high-quality financial services to senior stakeholders.
- Will provide both strategic and operational financial leadership, delivering financial services directly and through the management and development of Business Partners, Senior Technicians and Technicians.
- Will support the Strategic Business Partner within their respective area of finance to deliver financial advisory on behalf of the s151 officer ensuring robust financial governance and stewardship of public funds
- The postholder must support the Council's leading officers and assist the Strategic Finance Business Partner to develop a strategic and practical response to the financial challenges the council faces.
- Support the development and deliver financial management training to members of the team, directors and budget holders to promote sound financial governance
- Is expected to attend relevant boards and working groups within their respective area of responsibility

Level I Duties

Strategic Advisory

- Support the development of the strategic vision of the service that enables the council to meet its future challenges, fostering a culture of innovation and continuous improvement.
- Provide financial advice to stakeholders to support effective use of limited financial resources to deliver council priorities
- Identify emerging financial risks and opportunities, informing Strategic Business Partners and supervisors and collectively consider options to mitigate risks or exploit opportunities.

Financial Management

- Support budget monitoring processes and ensure budget holders are aware of emerging financial pressures or variances.
- Promote a culture which empowers budget holders and supports the delivery of value for money services and knowledge of key cost drivers
- Prepare and present informative, high-quality reports to stakeholders that aid in informed service and corporate decision making
- Develop and implement options to address budget variances or funding gaps.
- Perform investment and options appraisal subject to Strategic Finance Business Partner oversight
- In collaboration with the central capital lead and the Strategic Business Partner, coordinate the management of the council's capital programme within your area of responsibility

Financial Planning and Budgeting

- Develop appropriate financial models and analytics to determine financial impact of future service demands, changes in legislation and other factors affecting resource requirements
- Support the production of the medium-term financial plan, undertaking all necessary resourcing forecasts and determining required savings to achieve a balanced budget over the period

Financial Reporting

- Within their respective area of finance and in collaboration with the strategic Business Partner to contribute towards the closure of the Council's Accounts
- To create and provide quality assurance over other corporate reports including statutory returns
- To support the Strategic Business Partner in their responsibility for the interpretation of the accounting standards, incorporating professional codes of practice, IFRS, the accounts and audit regulations, the accounting code of practice, the best value code and any other relevant regulations
- Support the maintenance of the financial systems supporting the chart of accounts and the integrity of the general ledger
- Develop appropriate financial models and analytics to determine and communicate the impact of changes to technical accounting requirements

Compliance and Governance

- Ensure that all activities within your team comply with the council's constitution, Standing Orders, financial regulations, health and safety and safeguarding responsibilities and that effective systems operate within your team to manage performance and risk.
- Interpret and implement legislative and regulatory requirements relating to the CIPFA codes of practice, Treasury Guidance, and relevant financial legislation related to your service area with the support of the Chief Accountant
- Support and enforce the delivery of an effective system of financial controls across the organisation
- Enforce control of the Councils funding position across capital and all revenue funds, ensuring spend is approved through due process including the use of capital funding, corporate reserves and balances
- Identify and report on financial reporting and other financial and business risks

This is not a complete statement of all duties and responsibilities of this post. The post holder may be required to carry out any other duties as directed by a supervising officer, the responsibility level of any other duties should not exceed those outlined above.
