In-Year Admissions

Applications for in-year admissions should be made directly to the Trust. If a place is available and there is no waiting list then a place will be offered to the applicant. If more applications are received than there are places available then applications will be ranked in accordance with the over subscription criteria for the relevant provision. Parents and carers whose application is turned down are entitled to appeal to an independent appeal panel.

Waiting list

In accordance with the Secondary Co-ordinated Admissions Scheme the Nottingham LA will maintain a waiting list for all City secondary schools and academies where the number of applications received during the normal admissions round for those schools and academies has exceeded the number of places available places in Year 7. This waiting list will operate on the offer day and will be maintained up to 30th August 2024 after which it will cease to operate, thereafter the waiting list will be maintained by the Trust until the end of the autumn term 2024. Names of children will automatically be placed on the waiting list for a place where they have been refused a place and where it is ranked above that secondary school or Academy at which a place has been offered. For in-year applications, where the Academy receives more applications than there are places available, the Trust will maintain a waiting list until the end of the term of which the application was received. Where places become vacant in any year they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Arrangements for appeals panels

Where a parent/carer has been refused a place for their child at The Nottingham Emmanuel School, they will have the right of appeal to an appeal panel. The appeal panel will be independent of the Trust. The arrangements for appeals will be in line with the School Admission Appeals Code published by the Department for Education. The determination of the appeal panel will be made in accordance with the School Admission Appeal Code and is binding on all parties. Appeals should be made to the Clerk to Independent Appeals Panel, c/o The Nottingham Emmanuel School, Gresham Park Road, West Bridgford, Nottingham, NG2 7YF within 20 school days of the refusal.

Notwithstanding these arrangements, the Secretary of State may direct the school to admit a named student to the Academy on application from any Local Authority. Before doing so the Secretary of State will consult the school.

Late Applications:

The Local Authority and the Trust may be willing to accept applications which are received late but before 5:00pm on 28th November 2023, for good reason, for example:

- a family returning from abroad;
- a lone parent/carer who has been ill for some time;
- a family moving into Nottingham City from another area; or
- other exceptional circumstances.

Each case will be treated on its merits. All other late applications that are received after the Nottingham City Council deadline date will be dealt with after the national offer day.

Fair access protocol:

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. The Archway Learning Trust and operates within the Nottingham City Council Fair Access Protocols.

Applications for twins and multiple birth pupils:

In cases where there is one remaining place available and the next child on the waiting list is one of a twin or of other multiple birth groups, then both twins (or all the siblings in case of multiple births) will be admitted even if this means that the published admission number will be exceeded.

Fraudulent Information

If an offer or allocation of a place is made on the basis of fraudulent or intentionally misleading information, the Governors reserve the right to withdraw the place at any time.
