Room Leader Networks

- Stronger Practice Hub

Overview:

Room Leader Networks are now offered by our local Stronger Practice Hub, with separate networks running for babies, toddlers and pre-school room leaders.

Take advantage of this opportunity to join a community of like-minded room leaders, with a focus on developing your skills as a leader, as well as on developing the high-quality provision in your room.

The networks involve three face-to-face days across the year, where you will come together with colleagues to learn more about leadership and discover thought provoking ideas about what good practice looks like.

You will have chance to learn about new theories and ideas, reflect on your own practice and take away top tips and suggestions to try in your own rooms. There will be chance to celebrate and share what you have been doing with colleagues and with opportunities to develop relationships and learn from each other over time.

You can read more about the Room Leader Networks on page 4 of this [DNEY Newsletter](#).

By booking onto this Network, you agree to attend all 3 sessions.

Following submission of your booking form, you will receive a confirmation email of your place allocation within 10 working days, and a reminder email will be sent no later than 3 working days before the course takes place.
- If there is an issue with your booking, such as the course being oversubscribed, you will be contacted within 10 working days of submitting your online booking form. Any specific instructions for the course will be included on your confirmation email. Please bring a copy (or email) with you to the event.

- All course fees can be paid by debit/credit card by calling Desiree (Monday – Thursday) on 0115 87 64545.

Cancellation Policy

Once you have submitted your online course application form, your place will be allocated and confirmed. If, due to unforeseen circumstances, you have to cancel your place, please do so by emailing eytraining@nottinghamcity.gov.uk **not less than 2 working days before the course commences.**

Chargeable Course Cancellations – Whether the training is online or face to face, if the session is a paid for course and you cancel less than 2 working days before the course is due to start, or don't attend on the day, you will be charged 100% of the course fee and no refund will be made if you have paid in advance. Where courses run over more than one session, you will be charged for the full course, even if subsequent sessions are missed.

Agreement Trialling Cancellations – Whilst these sessions are free to attend, if you cancel less than 2 working days before the course is due to start, or don't attend on the day, you will be charged a £30 cancellation fee due to room hire and/or trainer/facilitator costs being incurred.

Network Meeting Cancellations – Due to the Annual Registration Charge for these Networks, they are exempt from an additional cancellation charge if you cancel at short notice, or don't attend on the day. However, as you must book on to each Network date, we request that you contact us not less than 2 working days before the event if you are no longer able to attend.

Free Course Cancellations – These are primarily linked to our statutory duties and whilst they are free to attend, we do need to show a good attendance to continue to be able to offer them for free. We would therefore request that you contact us not less than 2 working days before the event if you are no longer able to attend.

In-House/Bespoke Training Cancellations - Once your request has been confirmed by email, any cancellations will incur a 10% administration charge and if the course is cancelled less than 2 working days before the course is due to start, you will be charged 100% of the agreed course fee.

If you need to check the cancellation policy for a specific course, or need to contact us to make a cancellation, please do so by emailing eytraining@nottinghamcity.gov.uk

PVI Networks

– Annual Registration and Bookings

Networks are held each term. The SENCO and Leadership Networks are **charged at an annual rate** and providers **must complete an Annual Registration Form prior to attending**. If the Annual Registration Form is received in the first half of the Autumn Term, joint and multiple setting discounts are available. New Registrations can be accepted throughout the year, but **full membership charges will apply**, regardless of how many networks are attended.

In addition to the Annual Registration Form, **all providers must book on to each individual SENCO and Leadership Network date** in order to receive details and confirmation prior to each session.

To ensure the correct person receives these confirmations, providers are asked to **notify eytraining@nottinghamcity.gov.uk if there are changes** in personnel over the year that alter the details on the Annual Registration Form submitted.

Start Times

It is important that you arrive for all courses on time, or ideally 10 minutes beforehand, so registration can commence on time and you do not miss vital information or disrupt the session. If you **arrive more than 15 minutes after the advertised start time of the session, our trainers reserve the right to turn latecomers away**, and in these circumstances, the Cancellation Policy will be implemented.

All Course/Networks/Briefing Information

Please ensure that you read individual course information on our website as there may be course pre-requisites. For example, you may need to bring something to the course, read something beforehand or simply be aware that the course has practical elements, so you may need to wear comfortable clothing or footwear.
