Dear Paula,

Thank you for resubmitting the report (Loam) for Nottingham Community Safety Partnership to the Home Office. The report was reassessed in September 2022.

The QA Panel felt that the DHR featured involvement of Tina's family, Adult A's family, and Tina's employer. Tina's family also chose her pseudonym which is commended as good practice. Adult A was contacted and participated via letter, as covid-19 restrictions prevented meeting with him and there is also independent domestic abuse representation on the panel, both of which are good practice.

The Home Office noted that most of the issues raised in the previous feedback letter following the first submission have now been addressed.

The view of the Home Office is that the DHR may now be published.

We would be grateful if you could provide us with a finalised digital copy of the report with attachments and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to DHREnquiries@homeoffice.gov.uk. This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

Please also send a digital copy to the Domestic Abuse Commissioner DHR@domesticabusecommissioner.independent.gov.uk.

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Lynne Abrams

Chair of the Home Office DHR Quality Assurance Panel
