DON'T LET CRIMINALS DUMP YOUR RUBBISH

GETTING RID OF HOUSEHOLD WASTE?
TEMPTED BY A CHEAP DEAL?

Never hand over your rubbish to anyone without checking for a licence and getting a receipt. You could be inviting criminals into your home and letting them trash your local area by fly-tipping your stuff down the road.

What might look like a bargain is actually a #RubbishDeal - for you and your community. Fly-tipping drains money from local services like schools and health services and damages your local environment. If it's your rubbish, It's YOUR responsibility to know where it ends up - or you could face a fine yourself.

Follow three easy steps to check who you pay to take your rubbish away

1. Ask to see a waste carrier licence
2. Check it on the Environment Agency register at <https://environment.data.gov.uk/public-register/view/search-waste-carriers-brokers> or call 0300 065 3000
3. Check you'll get a receipt

Protect yourself. Protect your community. Protect your local environment.

Say no to a #RubbishDeal.
