Introduction

Safeguarding and promoting the well-being of children and young people is everyone's responsibility.

This training programme aims to encourage staff and volunteers from all agencies to meet and study together in order to promote shared knowledge, skills, values, procedures and practice. We are committed to making sure learning and development is accessible for a variety of workers across Nottingham City.

All applications for training should be discussed with your line manager and/or safeguarding lead to ensure you are attending the right training for your role.

The Partnership will also be providing a number of further training courses to reflect other Partnership priorities. These courses will be advertised separately through mailing lists and websites, so please keep an eye out for them.

Important course information

All courses provided by the NCSCP are bookable via Eventbrite.

Please follow your own organisations time-frames as to how often safeguarding training should be refreshed.

Please note:

- If you have not been successful with your first choice, we will make every effort to contact you to inform you of this as early as possible and you will be offered the next available course date.
- Only registered delegates will be permitted access to courses.

Who requires training?

Everyone who comes into contact with children and families has a role to play and has a responsibility for keeping them safe (Working Together 2018).

Charging

All training is **free of charge** to any person employed by one of the NCSCP partner agencies. A charge of £100 per person per course is made for everyone else.

Cancellation

Cancellations must be made by delegates via ncscbtraining@nottinghamcity.gov.uk

Demand for courses is high. It is therefore **essential** that staff cancel places if they are not able to attend, so the place can be offered to another candidate.

Your manager will be informed of non-attendance and a fee of £40.00 will be charged if your place was not cancelled within 48 hours of the course start date.

For any further information or enquiries about space on courses, please contact us on 0115 8764762 or at ncscbtraining@nottinghamcity.gov.uk
